

Commercial Capture Express

With Commercial Capture Express, commercial customers can electronically deposit the checks they accept during the course of a business day, thus eliminating trips to the bank. The checks can be captured and transmitted throughout the day.

Each business is equipped with a check reader- with a front and back image camera, an endorser and MICR reader- and related software.

Contact us today at 901-762-6238 for more information on this service.
